LANGUAGE COURSES HELD AT CJO KONTAKT

We invite you to study English, Spanish, Portuguese, German, Italian, Russian and French. Learning will become your new passion. Courses in small groups are available at all levels. Details can be found at the school office and at www.kontakt.cjo.pl

LANGUAGE COURSES ABROAD – UNITED KINGDOM, MALTA, IRELAND AND OTHER COUNTRIES

It is worthwhile to enrich the traditional language course by learning in a country where the language is an official language. CJO KONTAKT offers language courses abroad in reliable schools in different parts of Europe. We will help you choose the right school and course to match your age and needs. We offer language camps for children and teenagers, language courses for students, working people and seniors in well-known European cities, on the coast or in the mountains. You decide when you want to leave and for how long, it can even be a few months. You can start learning at any level, also from scratch. Details can be found at www.kursywyjazdowe.pl

LANGUAGE SCHOOL TRIPS ABROAD

We also offer language school trips to Great Britain, Ireland, Malta, Spain, Germany, France, Portugal and Italy. The trips usually last one week. Students attend an intensive language course every morning at a well-trying language school. Participants stay at host families or at the boarding school, depending on the expectations of the group. The standard offer includes board and lodging, 15-20 hours of language course, excursions, additional activities, transfer from and to the airport and free stay for teachers. The group organizes and pays for the flights on its own.
